### Summary

Senior at UIT, perfectionist, have great attention to details, love coding and open source. Very eager to learn new trending frameworks and technologies. Technologies used: **React**, **SCSS**, **Webpack**, **Gulp**, **Flutter**, **Git**. Depend on the project's requirement, I can seek to learn new technology quickly and integrate to the team's workflow.

### Skills

#### Frameworks and Libraries

- ReactJs
- Webpack
- Gulp
- Bootstrap
- Flutter
- WPF

#### Languages

- JavaScript
- TypeScript
- SCSS
- Dart
- CSS
- C#
- Python
- Bash

#### Databases

- Firebase
- Cloud Firestore
- SQLite

#### Version Control

- Git

### Personal Projects

**OnThi247**   **Nov-Dec 2019**  
**Technologies:** React, SCSS  
**Summary:** Front-end implementation of an online education webpage  
**Url:** [github.com/NearHuscarl/onthi247](https://github.com/NearHuscarl/onthi247)

**Flutter Login**   **Sep-Nov 2019**  
**Technologies:** Flutter, Dart  
**Summary:** Login screen with cool animation effects  
**Url:** [github.com/NearHuscarl/flutter\\_login](https://github.com/NearHuscarl/flutter_login)

**Castlevania**   **Oct 2018 - Feb 2019**  
**Technologies:** C++, DirectX 9, Xml  
**Summary:** A remake of Castlevania NES (Block 01)  
**Url:** [github.com/NearHuscarl/Castlevania](https://github.com/NearHuscarl/Castlevania)

**Football365**   **Mar-Jun 2019**  
**Technologies:** React, SCSS, Webpack, Firebase, Heroku  
**Summary:** Football site providing latest news, fixtures, results, standings  
**Url:** [github.com/NearHuscarl/football-site](https://github.com/NearHuscarl/football-site)

**EDictionary**   **May-Jul 2018**  
**Technologies:** C#, WPF, MVVM, SQLite  
**Summary:** An english dictionary app written in C# and WPF  
**Url:** [github.com/NearHuscarl/EDictionary](https://github.com/NearHuscarl/EDictionary)

**Termite Color Switcher**   **Mar 2018**  
**Technologies:** Shell  
**Summary:** Utility script to manage and edit themes in termite terminal  
**Url:** [github.com/NearHuscarl/termite-color-switcher](https://github.com/NearHuscarl/termite-color-switcher)

### Education

**Software Engineering**  
University of Information Technology  
**06/2016 - Present**
